**2020-2021**

**Parent/Guardian Authorization for Over the Counter Medication**

When students have a minor injury or health issue during school hours they may be helped by over the counter medications. Valley West's School Physician has approved the administration of the medications listed below provided a nurse has assessed the student's condition, current medication profile, allergies, and need for medication. Please complete and return this permission form to the Health Office **crossing out any individual medication or topical preparation that you do not give permission to be used**. Please update the Health Office promptly of any changes in medications, allergies, or health conditions. No medications will be given unless current signed consent from parent/guardian is on file at school. Telephone permission cannot substitute for a signed, dated consent.
